Summary/Description

In stock! The Oceanis 46.1 offers a true balance between elegance, performance, and comfort. Her stepped hull adds massive amounts of volume below with no compromise to seakeeping abilities.

In stock and ready for summer sailing!

The Oceanis 46 boasts all the features of a large cruising yacht, with a rare balance between elegance, usable space and performance. Her stepped hull opens up an incredible amount of space inside and yet her seakeeping performance is still impressive. A large number of clever customizable fittings make her easy to sail and pleasantly comfortable.

EXTERIOR DESIGN

The Oceanis 46.1 is based on a Finot-Conq plan, keeping the distinctive stepped hull of the 51.1.

Apart from her performance at sea and the huge amount of space that set this boat apart, this architecture makes optimal use of the cockpit beam. An incredibly efficient deck plan makes her wonderfully safe and easy to use.

Maneuvering is simple when sailing short-handed, thanks to the furling mast, self-tacking jib, and all the halyards and sheets that lead back to a single winch at each of the helm stations.

INTERIOR DESIGN

Large hull portholes bring a considerable amount of natural light right into the center of the boat, so that you can truly enjoy the elegant interiors by Nauta Design. A choice of light oak or mahogany sets the tone and creates the interior atmosphere, which can be readily customized.

EVERY STYLE OF CRUISING

Easy to sail, easy-going and fast, the Oceanis 46.1 can be customized to make her unique, appealing to a wide range of crews. Attention to design details makes life onboard a real pleasure and allows you to sail confidently in the knowledge that she is safe.

COCKPIT AND RELAXATION

The Oceanis 46.1 has a very spacious cockpit with room for 8 guests around a large table. There are two reclining sun loungers with drink holders on either side of the companionway. These can easily be lifted and moved up onto the fore deck.

MASTER SUITE

With unparalleled space on a boat this size, the master cabin has a shower room with a separate head, offering comfort worthy of a sailing yacht of much bigger proportions, with a 5'25" x 6'72" island bed.

SPEED AND EXHILARATION

With a longer mast of 3 additional feet, a sail area increased by 28%, Harken deck fittings, and a deep lead-bulb keel to reduce drag, the First Line version of the Oceanis 46.1 is all set to offer a unique cruising experience.

EQUIPPED WITH SEANAPPS

The easiest way to keep your boat safe and ready to cruise anytime.

The new [Seanapps](#) app is the ultimate solution to help you indulge your passion for boating. With the touch of your finger, you can easily connect, monitor and order services for your boat – from routine maintenance, to requesting a wash or fuel or having us complete a repair.

Main deck

- CE Certification A10/ B11/C12 (12 passengers on board).
- Large benches seating eight guests, with a fold away table.
- Two steering wheel stations, each with a comfortable seat.
- Two reclining sun loungers with drink holders.
- First Line version: extra-long mast and bigger draught.
- Standard version: in-mast furling system and self-tacking jib.

3 cabins - 2 heads

- U-shaped salon seat.
- L-shaped fitted galley: fridge, sink, 2-ring hob, oven, storage and worktop.
- Master cabin with double bed (5'3" x 6'9") on the boat center line and easily accessible on either side.
- Two aft cabins with double berths.
- Chart table with drop-down tabletop and lounge chair style seat facing the salon.
- Several hull portholes and coach roof port lights make the space naturally bright.
