Description

The Carver 455 Aft Cabin Motor Yacht embodies Carver's renowned quality, inherent durability, and impeccable craftsmanship in a motor yacht that delivers strong performance. With its time-tested hull design, the 455 offers enhanced stability and performance, particularly when docked, ensuring added comfort for onboard guests. Easy boarding is facilitated by the integrated fiberglass swim platform and staircase-style steps leading to the aft deck. For added convenience, you can opt for a wet bar with a refrigerator and icemaker, while standard wing doors offer extra protection from the elements. The spacious flybridge provides an ideal layout for extended cruising or leisurely

relaxation. Accommodating up to seven people comfortably, it boasts an ergonomically-designed control console and a slide-swivel seat for the pilot. Sun lovers will appreciate the large foredeck sun lounge, offering true comfort. Inside, the salon offers picturesque views through sizable cabin windows. The seating arrangement includes an L-shaped sofa with an impressive 47-inch bed upholstered in luxurious UltraLeather. The environment is further enhanced with a complete entertainment center featuring a TV and VCR, tastefully finished with color-coordinated designer fabrics, standard maple wood cabinetry, and trim. The master stateroom at the aft is exquisitely appointed, featuring a queen-size inner-spring berth, a private head compartment with a stall shower, a well-lit vanity, a spacious hanging locker, and ample drawer storage. The forward guest stateroom offers a comfortable double berth and private access to the head with a stall shower. The galley and dinette are conveniently located in close proximity. The galley is fully equipped with a three-burner stove and oven, a full-size refrigerator and freezer, a convection microwave oven, a coffee maker, and solid-surface countertops. Carver Aft Cabin or Cockpit Motor Yachts come equipped with significant amenities, including luxurious master staterooms featuring large inner-spring berths and private head compartments complete with showers and vanities. The spacious aft decks, equipped with hard tops and enclosures, offer superior protection from the sun and inclement weather. The roomy salons provide ample comfortable seating along with entertainment centers, while the fully equipped galleys are thoughtfully designed to make meal or snack preparation easy and enjoyable.
