## Summary/Description

J/Boats is the world leader in high-performance sailboats designed for cruising, day sailing, offshore racing, and one-design racing.

Why settle for anything less than sailing where and when you want to in comfort, style and speed?

The Chandlery Yacht Sales is the oldest J/Boat dealer on the West Coast. We have been selling J/Boats in California since 1978.

The J/70 speedster is the new "baby J" that is generating tremendous enthusiasm for a next-generation ramp launchable keelboat. J/70 introduces a new dimension of fun, fast sailing in a stable, easy to own boat that all of your friends and family can enjoy. J/70's 22-foot long waterline with high aspect, all carbon mast and boom provides spirited performance and stability that feels like a much larger boat upwind. Set the masthead asymmetrical spinnaker and plane away in moderate breezes. Off-the-wind, J/70 will simply light-up the crew with a smile!

This would be a new boat, built to your specifications. Contact us for pricing and build time.
