Summary/Description

Chandlery Yacht Sales is proud to be the West Coast dealers for the beautiful semi-custom Duffield Yachts.

The Duffield 58 is a classically-designed yacht from the drawing board of Doug Zurn. (Same designer as MJM Yachts.) She offers a combination of innovative hull design, low silhouette, lightweight composite materials, a V-drive propulsion system or Volvo Pod drive and an advanced diesel four stroke engine, which results in pushing a luxury yacht at a comfortable 17-knot cruising speed burning a mere 22 gallons per hour. The Duffield 58 is available in either a flybridge or sedan version.

This would be a new yacht, built to your specifications.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

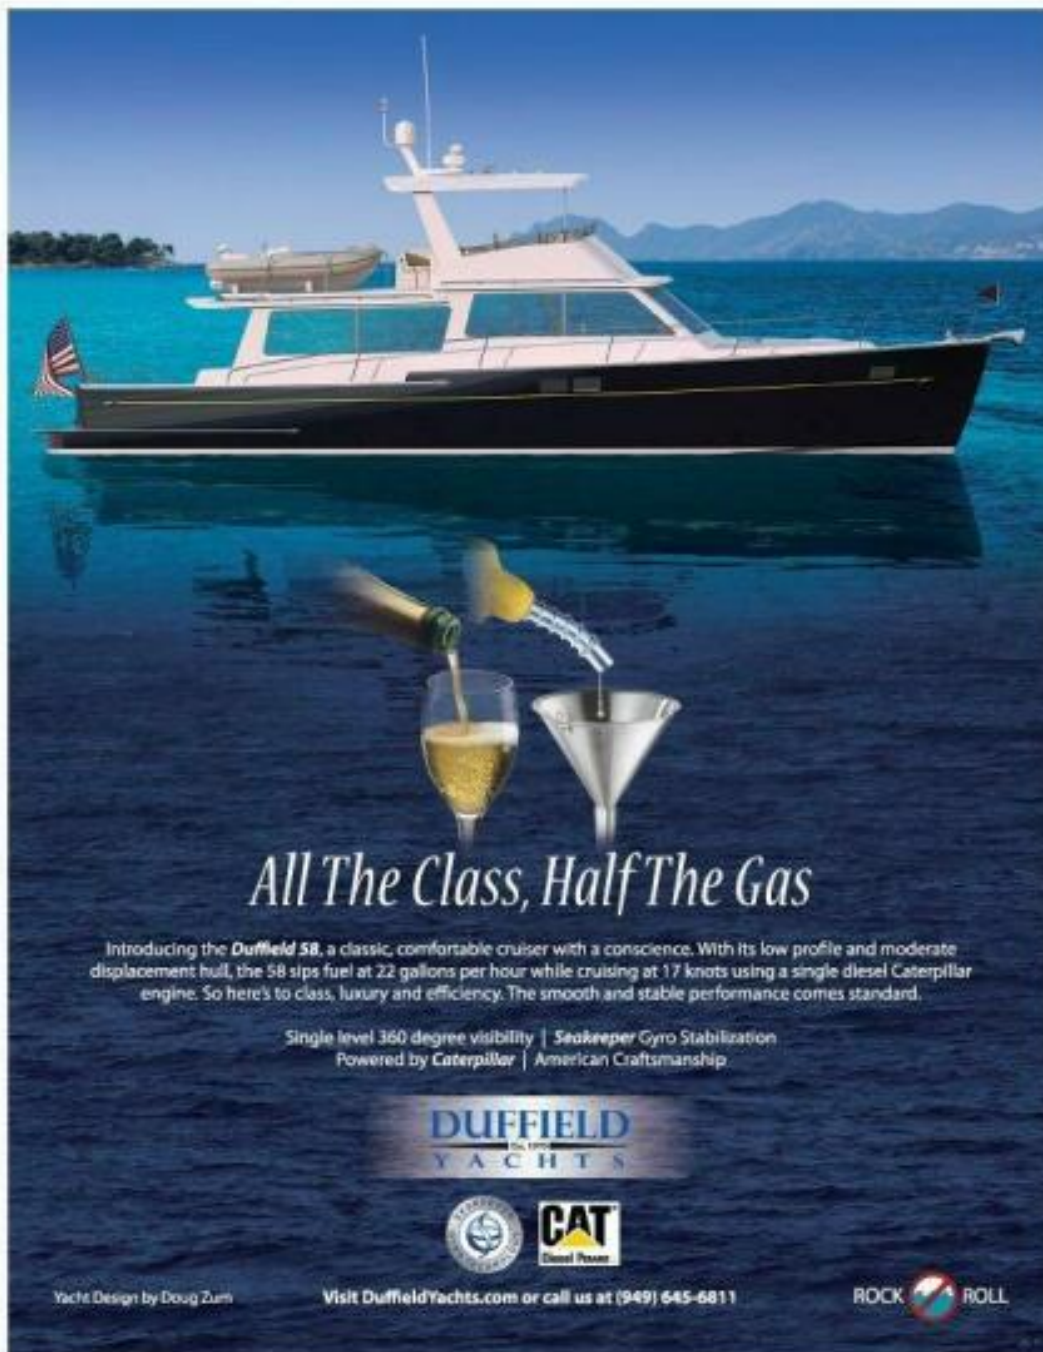

All The Class, Half The Gas

Introducing the **Duffield 58**, a classic, comfortable cruiser with a conscience. With its low profile and moderate displacement hull, the 58 sips fuel at 22 gallons per hour while cruising at 17 knots using a single diesel Caterpillar engine. So here's to class, luxury and efficiency. The smooth and stable performance comes standard.

Single level 360 degree visibility | Seakeeper Gyro Stabilization
Powered by Caterpillar | American Craftsmanship
